Escape to Cape Verde and enjoy the stress free island of Sal with its unspoilt beaches, translucent turquoise seas and its lovely people with smiles as warm as the sun !

In Cape Verde, you will be able to enjoy the sunshine all year round with temperatures ranging from 24 to 30 degrees and almost no rainfall at all, it's the ideal getaway what ever time of year you chose to go.

Although this wonderful island has the same climate as the Caribbean, there isn't the risk of hurricanes and you will also be virtually free of those annoying mosquitoes. As it is less than 5 1/2 hours from the UK with no time difference, you won't have jet lag either and with the property being less than 10 minutes from the airport, the expense of hiring a car is not necessary.

Your luxury holiday home is situated within minutes from the magnificent Ponta Preta beach which is a haven for sun lovers with its crystal clear waters and tropical beaches.

Just enjoy the wonderful views and sound of the breaking waves or simply watch the local wind surfers and kite surfers showing off their undoubted skills.

Simply watch the fishermen bring in their daily catch on the beach, stroll around the many craft shops where you can buy anything from African hand made jewellery to beautiful hand paintings or just enjoy a cold beer just watching the day go by. What ever you chose to do in Santa Maria, you will enjoy its truly local charm coupled with its lovely fascinating people.

The local town of Santa Maria is a pleasant 10 minute walk away where you will be captivated by the blend of African, Brazilian and Portuguese cultures in this charming small cobbled street town which has many local shops and bars.

There are also numerous restaurants specializing in Cape Verdian cuisine, Italian, Grill and Fish dishes.

If you are feeling more energetic, you can enjoy surfing, wind surfing, kite surfing, scuba diving and snorkelling all of which have local tuition. Other activities include deep sea fishing, sailing and quad biking.

If you want to spend a few hours away from the beach or pool, you can visit the salt lakes at Pedra De Lume or pay a visit to the main town of Espargos.
